

VBOX SPORT

VBOX Sport is a waterproof, battery powered, self-contained GPS data-logger designed primarily to measure vehicle performance or lap-times. The unit can be used as a stand-alone logger, or connected to an iOS device via Bluetooth to see results in real time using free apps supplied by Racelogic.

The unit is very light weight and rugged, with an option of using an external antenna, which makes it also suitable for motorbikes, bicycles and backpacks.

An optional Herbert Richter mounting plate can be used to adapt the VBOX Sport to a large range of standard mounting accessories.

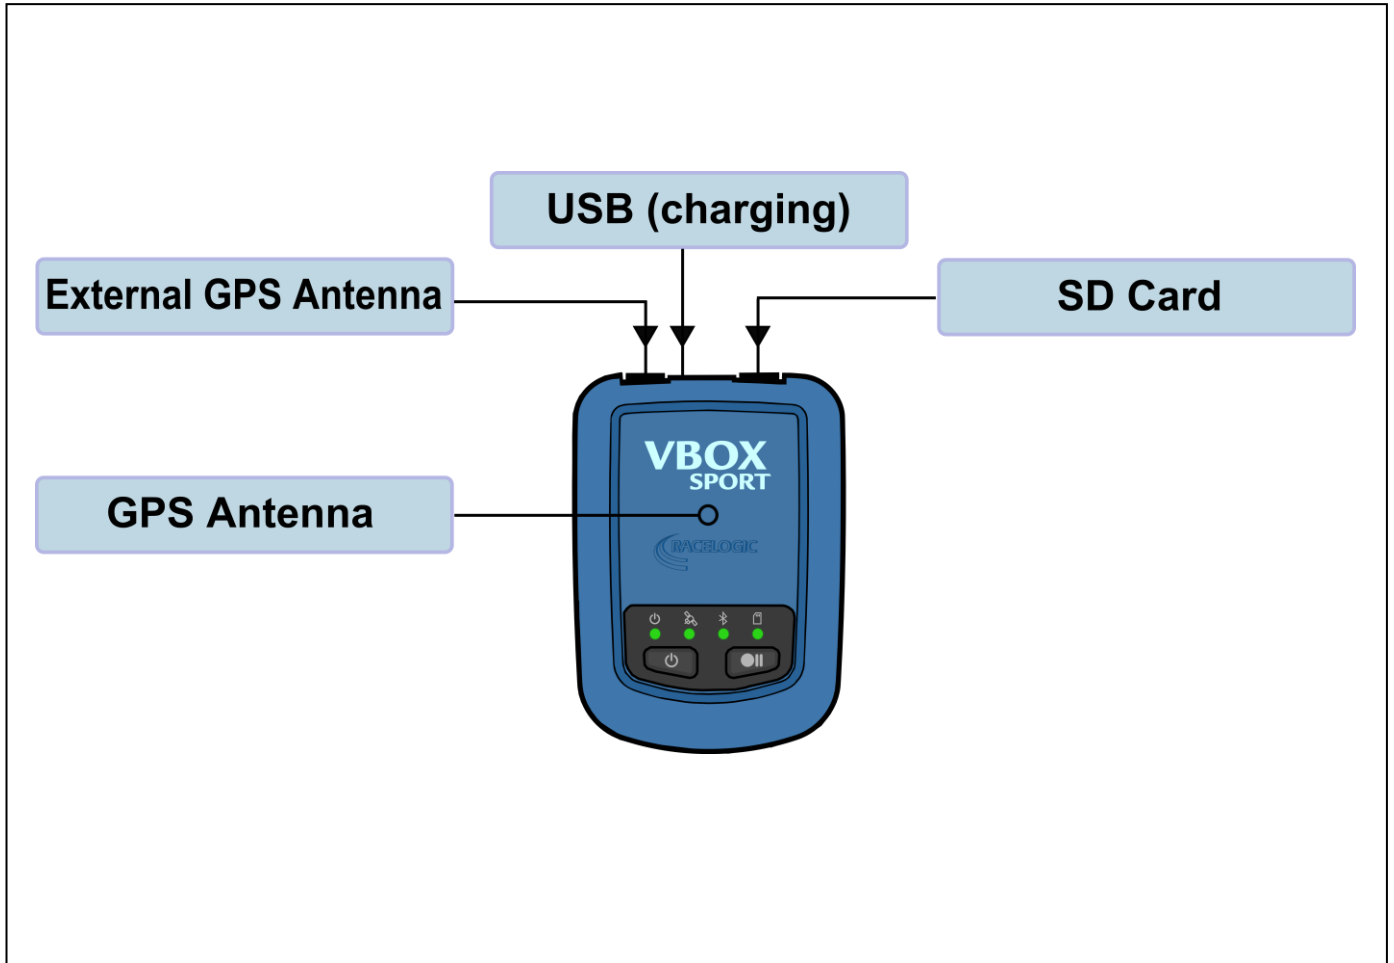

Features

- 20Hz GPS data logger
- Bluetooth interface to iPhone™ or iPad™
- SD card logging
- 6 hours+ internal rechargeable battery
- Internal or external GPS antenna
- Robust, waterproof, lightweight enclosure
- Herbert Richter mounting system
- Circuit Tools analysis software
- Free Performance Test iPhone App available from Apple App Store

Inputs and Outputs

Inputs	Outputs
